

1. Product dimension:

OB-CNP-120W-IP65

Product Dimension (mm)

PHILIPS
sense and simplicity

2. Key features

Brings amazing recessed lighting solution for indoor areas. And its installation super easy.

Achieved by latest Philips Luxeon T chip:

The Philips LUXEON® T emitters are illumination grade LEDs designed to deliver high efficacy with high flux density to enable tight beam control in directional and high lumen applications. With Freedom from Binning and leading performance, LUXEON T emitters allow system optimization by blending the perfect combination of high efficacy and low system cost. With tight Correlated Color Temperature (CCT) control, LUXEON T ensures consistency in system color point.

Power Supplied by MeanWell Driver:

World's leading MeanWell power supply keeps the stableness, life & performance of the luminaire in optimal status

3. Specification

LED Power: 120W

Operating Voltage: 90-305VAC or 12/24VDC

Operating Temperature: -40°C ~ 50°C

Operating Humidity: 10%~90%

Power Factor (PF): > 0.95

Power Supply Efficiency: > 90%

Initial Luminous Flux: 132,00lm

Maintain Luminous Flux: 12,000lm

Color Rendering Index (CRI): Ra >70 (>80 optional)

Color Temperature: 3,000-3,500K, 4,000-4,500K, 5,000-6,500K

IP Rating: IP 65 & IP 67

Warranty: 5 years warranty

Heat Radiator: Anodized aluminum

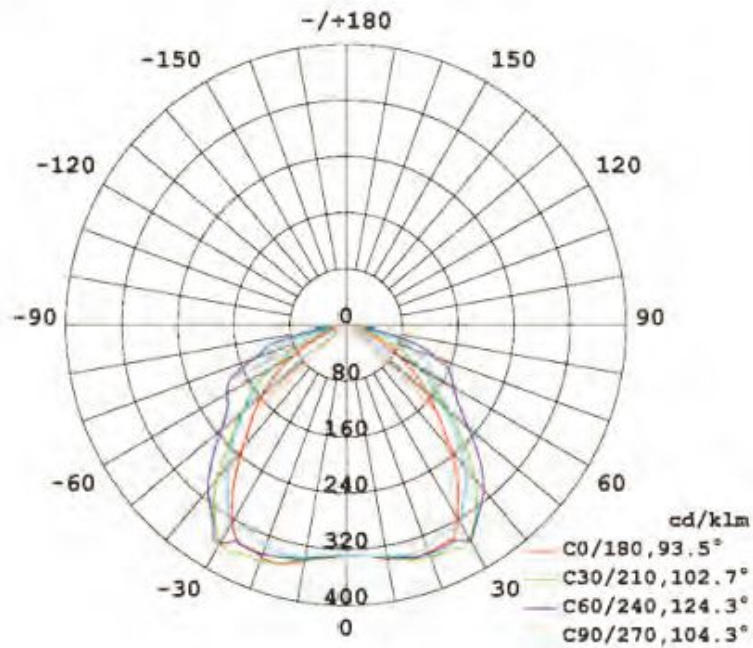

Face: Anti-static Coating

Fixture Dimension; 400*351*99.3mm

Net Weight: 6.25KG

4. Technical information

ISO-Illuminance Curve

5. Application information

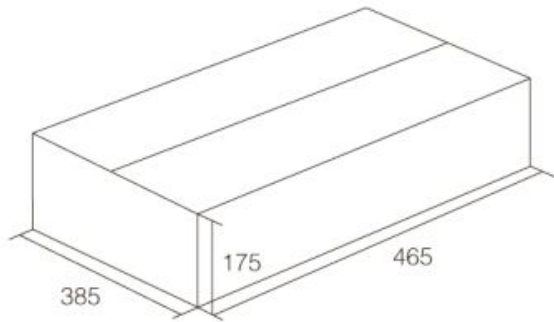

Warehouse, Gas Station, Office, Shop,

6. Package & Certification

Packing Dimension (mm)

Packing Type: 1pc/Carton
Packing Dimension:465*385*175mm
Packing Weight: 8.15KG
